<u>**Survey of Emerging Technologies**</u>
Module 8 Assignment

Blogging
After following the instructions in Module 8, you should have set up your own Blogger blog.

For this assignment, submit to your teacher a link to your new Blogger blog (the URL address) - click the link before submitting to make sure it works!

1.) You should have at least 2 gadgets on your blog.

2.) You should have created a new blog post titled "Welcome to my blog," typed in some text about yourself (a paragraph), and added at least 1 picture.

3.) You should have included the final sentence in the "Welcome to my blog" post, that says, "This is one of my favorite websites to check every day." Choose one of you favorite sites to link to. Use the word "This" in your sentence, and make that be the link text.

4.) Click the orange "Publish" button at the top to publish your blog post.
